

### Easy to Clean Stainless Steel Container

Suitable for wet or dry collection. A perfect solution for commercial and industrial use thanks to the easy to clean Stainless Steel container. Push&Clean or XtremeClean filter cleaning system offers quick and effective filter cleaning.

ATTIX 40 gives superior suction power in a compact and flexible solution. Silent, small and mobile, but with the same convincing suction performance as the larger ATTIX 50, this is the perfect solution for Commercial and Industrial use with an easy to clean corrosion proof stainless steel container. The Push&Clean filter cleaning system is a quick and effective way of cleaning the filter. The excellent design offers you cable storage, accessory storage and a large tool deposit to keep all you need at hand.

Operating costs are minimised with the washable PET Fleece filter element, and the low working noise level lets you work when others are nearby, without disturbing them.

### PRODUCT FACTS

- Compact, ergonomic, and powerful.
- Push&Clean filter cleaning system takes care of filter cleaning tasks in just a few seconds.
- Washable PET fleece filter for high efficiency and low maintenance costs.
- SilentPower. High performance that is seen, but not heard.
- 37 litre Stainless Steel container volume and a Fleece filter bag for the ultimate in effective filtration.
- Softstart will safeguard you for blown fuses.

Model ATTIX 40-01 PC

Ref. no 302003629

Description ATTIX 40-01PC INOX 230V
